GREENFIELD

NEW HAMPSHIRE

1985

TOWN REPORT

UNIVERSITY OF NEW HAMPSHIRE
LIBRARY

NOTICE

A pre-Town Meeting will be held on Friday, March 7, 1986 at 7:00 PM in the Meeting House. It is your opportunity to meet any new candidates and take part in discussion of the Town Warrant.

GREENFIELD SCHOOL HISTORY

The early settlers educated their children in their homes. Then in March of 1792, money in the amount of thirty pounds was raised to support schools. Seven schoolhouses were first built. Shortly after 1805, the number of schools increased to eleven.

In the mid-1800's, the pay for teachers jumped from \$15.00 for men and \$6.25 for women to \$19.00 and \$7.54 for men and women respectively. These salaries were paid to teachers on a per month basis. Room and board were provided in a local home. Generally, two terms per year - a winter and a summer term - were conducted. The terms ranged from six to twelve weeks in length.

The Village School, the current Greenfield Elementary School, was built in November of 1885, at a cost of \$4,500. It began operation in February of 1886. The "older" Village School was moved to a location further up the Bennington Road and is now a private residence.

In 1885, when the "new" Village School was built, there were fifty-six students in eight grades. Today there are fifty-seven students in the five grades.

SELECTMEN'S REPORT

1985 was a year which brought much growth to the Town of Greenfield. The 1985 Tax Base increased \$929,826 due to much new building contributing to the tax rate drop. In 1986, we expect to receive another substantial increase due to the construction of 22 new homes and 2 new commercial properties. This summer saw ground broken on Route 31 South for two warehouses and late this year construction commenced on a second Greenfield facility for ECSE on Bennington Road. The addition of these commercial properties will be a much needed positive step towards broadening our tax base.

The sale of a property acquired by tax collector's deed located in the industrial area on Route 31 South brought the town unexpected revenue of \$17,000. This year's warrant proposes that this money be used to accelerate payment of the Fairgrounds Note by one year, thereby eliminating all the Town's current long term debt.

With the resignation of Raymond Cilley this summer due to increased responsibilities with his business, the Selectmen were fortunate to appoint Richard Buswell of South Francestown Road to fill out to the next election.

Although this year's budget appears to be much higher at first glance, the amount to be raised by taxes is increased approximately \$21,000 over 1985. The Board feels that the expected increase in our tax base combined with a healthy surplus will work to cushion much of the effects of this increased spending.

On the warrant for your consideration this year are several significant capital items; a 1986 police cruiser and a new body for the 1974 International Fire Truck. A portion of these two items we are be funded out of capital reserve, but with an eye to the future replacement of the DPW Truck, we do not wish to deplete this reserve completely.

Also proposed is an article requesting \$25,000 for widening and graveling of Cavender and Old Bennington Roads. Due to growth in the west end and the closure of the bridge in 1984, both these roads are receiving more traffic.

An important article for your consideration on the warrant is the proposed parking ordinance for the downtown area. With increased business activity and more off street parking, the situation has become hazardous to thru traffic, particularly in the late afternoon.

The Board of Selectmen would like to take this opportunity to thank the many people who volunteer numerous hours to the town on the Rescue Squad, Budget Committee, Fire Department, Planning Board, Board of Adjustment, Study Committees, Trustees, Fairgrounds Association, Recreation Committee and elected officials. Their hours of work make Greenfield a better community to live in.

TOWN WARRANT
The State of New Hampshire

To the inhabitants of the Town of Greenfield in the County of Hillsborough in said state, qualified to vote in Town Affairs:

You are hereby notified to meet at the Meeting House in said Greenfield on Tuesday, the eleventh day of March, next, at 10:00 of the clock in the forenoon, to act upon the following subjects:

Article 1: To choose all necessary Town Officers for the year ensuing.

Town Meeting will recess until 7:00 PM Friday, March 14, 1986 when Article 2 and the remaining articles of the warrant will be acted upon.

Article 2: To raise and appropriate such sums of money for the operation and maintenance of Town Property, Old Age Assistance, Social Security, Town Officers Salaries, Town Officers Expenses, Debt Service, Insurance, Planning Board Expenses and any other charges arising within the Town as proposed under "Allocation of Appropriation Under Article 2" printed elsewhere in the report.

Article 3: To see if the Town will authorize the Selectmen to borrow such sums as are necessary to defray Town charges in anticipation of taxes, or take any action relative thereto.

Article 4: To hear the reports of agents, auditors, standing committees, or other officers heretofore chosen and to pass any vote relative thereto.

Article 5: To see if the Town will authorize the Selectmen to apply for, accept and expend without further action by Town Meeting, money from the state, federal or other governmental unit, or private source which becomes available during the year.

Article 6: To see if the Town will vote to authorize the Selectmen to accept legacies and gifts given the Town in trust or otherwise by any individual or group of individuals,

or take any action relative thereto.

Article 7: To see if the Town will vote to authorize the Selectmen to transfer and convey property acquired by the town by tax collector's deed by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require.

Article 8: To see if the Town will vote to raise and appropriate the sum of \$116,415 for the support of the Department of Public Works to be allocated as follows:

Regular Wages	\$ 36,124
Part time & Overtime	8,000
Miscellaneous	2,000
Fuel & Diesel	5,000
Gas	4,500

P.S.N.H.	700
Telephone	450
Culverts	700
Vehicle Maintenance	6,500
Plow & Sander Maint.	3,500
Equipment Rental	8,000
Salt	2,100
Sand	7,000
Cold Patch	800
Lube	650
Block Grant	
Gravel - Fletcher Farm,	
S. Franc., & Cornwell Rds	5,000
Shimming	10,000
Tree Removal	2,000
Stop Sign Installation	700
Cavender & Old Benn.	<u>12,441</u>
	\$ 116,415

or take any action relative thereto.

Article 9: To see if the Town will vote to raise and appropriate the Recreation Committee \$9,000 for the support of recreation programs, \$1,800 to be raised through taxes and \$7,200 to be raised through fees and charges, or take any action relative thereto.

Article 10: To see if the Town will vote to raise and appropriate the sum of \$23,500 for the support of the Recycling Center to be allocated as follows:

Regular Wages	\$ 5,950
Miscellaneous	500
Equipment Rental	300
Gasoline	500
Wilton Recycling Center	<u>16,250</u>
	\$ 23,500

or take any action relative thereto.

Article 11: To see if the Town will vote to appropriate the sum of \$1,500 to defray the costs of moving a small wooden building on to the property known as the Fairgrounds and authorize the withdrawal of the amount required for this purpose from the Capital Reserve Fund known as the Otter Lake Fund, for the purpose of parks and recreation equipment, or take any action relative thereto.

Article 12: To see if the Town will vote to raise and appropriate the sum of \$300 to purchase materials for the construction of foot bridges on recreation trails or take any action relative thereto. (Submitted by the Conservation Comm.)

Article 13: To see if the Town will vote to raise and appropriate the sum of \$14,242 for support of the Fire Department to be allocated as follows:

Truck & Equip. Maint.	\$ 3,000
Mutual Aid Costs	1,067
Gas & Lube	1,100
Forest Fire	400
Training	700
Medical Supplies	250
Expense Reimbursement	2,000

Chief's Salary	500
Building Maintenance	400
PSNH	1,100
Telephone	475
Heating	1,700
Miscellaneous	500
Fire Prevention	150
Personal Equipment	500
	<hr/>
	\$ 14,242

or take any action relative thereto.

Article 14: To see if the Town will vote to raise and appropriate the sum of \$25,000 to be placed in the Capital Reserve Fund for the purchases of major equipment, or take any action relative thereto.

Article 15: To see if the Town will vote to appropriate the sum of \$25,000 to purchase a new body for the 1974 International Fire Truck, of which \$5,000 is to be raised from taxes and \$20,000 to be withdrawn from the Capital Reserve Fund established for the purchases of major equipment, or take any action relative thereto.

Article 16: To see if the Town will vote to raise and appropriate the sum of \$12,000 to be used soley in sealing approximately three (3) miles of previously tarred roads in the Town, or take any action relative thereto.

Article 17: To see if the Town will vote to raise and appropriate the sum of \$31,475 for the support of the Police Department to be allocated as follows:

Chief's Salary	\$ 20,000
Special Officers	4,800
Retirement	1,750
Tires	85
Equipment	700
Telephone	540
Cruiser & Radio Maint.	750
Gas & Oil	2,000
Miscellaneous	150
Training	700
	<hr/>
	\$ 31,475

or take any action relative thereto.

Article 18: To see if the Town will vote to authorize the Moderator to appoint three alternate Zoning Board of Adjustment members, or take any action relative thereto.

Article 19: To see if the town will vote to appropriate the sum of \$12,000 to purchase a new police cruiser and authorize the withdrawal of this amount from the Capital Reserve Fund established for the purchase of major equipment, or take any action relative thereto.

Article 20: To see if the Town will vote to appropriate to sum of \$700 for a set of New Hampshire Revised Statutes Annotated and authorize the withdrawal of of the amount required for this purpose from the Federal Revenue Sharing Fund.

Article 21: To see if the Town will vote to appropriate the sum of \$1,150 for a new copier with maintenance agreement, and authorized the withdrawal of the amount required from the Federal Revenue Sharing Fund.

Article 22: To see if the Town will vote to raise and appropriate the sum of \$1,000 to allow the Selectmen to contract with a professional assessor to do pick up assessments of new homes, commercial properties and additions, or take any action relative thereto.

Article 23: To see if the Town will vote to appropriate the sum of \$3,500 for Hose and Fittings for the Fire Department and authorize the withdrawal of the amount required from the Federal Revenue Sharing Fund.

Article 24: To see if the Town will vote to raise and appropriate the sum of \$12,989 to pay off the following debt service:

Purpose: 1986 & 87 Fairgrounds note and interest \$ 12,989
or take any action relative thereto.

Article 25: To see if the Town will vote to raise and appropriate the sum of \$ 7,757 for the support of the Stephenson Memorial Library allocated as follows:

Heat	600
PSNH	475
Telephone	350
Salary & S.S.	4,874
Books	1,800
Records	50
Maintenance	400
Programs	130
Supplies	200
Training & Dues	180
Miscellaneous	50
	<hr/>
	9,457
Less Trust Fund Income	1,700
	<hr/>
	\$ 7,757

or take any action relative thereto.

Article 26: To see if the Town will vote to elect the Tax Collector for a three (3) year term beginning at Town Meeting 1987, or take any action relative thereto.

Article 27: To see if the Town will vote to raise and appropriate the sum of \$25,000 to widen and gravel portions of Cavender Road and the gravel section of Old Bennington Road, or take any action relative thereto.

Article 28: To see if the Town will vote to oppose the burial, storage, transportation and production of high level radioactive waste in the Town of Greenfield and the State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the US Department of Energy's (DOE's) present plan to dispose of radioactive waste and into the DOE's competence to carry out such plan. (By Petition)

Article 29: To see if the Town will vote to raise and appropriate the sum of \$2,500 to purchase a phone system for the Town Offices, or take any action relative thereto.

Article 30: To see if the Town will vote to appropriate sum of \$2,200 for the painting of the exterior of the Town Offices and authorized the withdrawal of this amount from the Federal Revenue Sharing Fund.

Article 31: To see if the Town will vote to adopt a parking ordinance for the downtown area, or take any action relative thereto.

Article 32: to see if the Town will adopt Welfare Guidelines as required by N.H. RSA 165:1,II, or take any action relative thereto.

Article 33: To see if the Town will authorize the Selectmen to use computers in the preparation of the tax bills and tax warrant, or take any action relative thereto.

Article 34: To transact any other business that may legally come before this meeting, or take any action relative thereto.

Given under our hands and seal this eighteenth day of February of our Lord nineteen hundred and eighty five.

TOWN MEETING

March 12, 1985

Town Elections

Meeting was called to order by Moderator, Peter Hopkins, at 10:00 a.m. to act on Article I of the warrant - election of Town Officers for the year ensuing, also Article 1B to vote on four amendments to the Zoning Ordinance proposed by the Planning Board.

Polls opened at 10:00 a. m. and closed at 7:00 p.m. after which the ballots were counted.

Gardner Glover led the pledge of allegiance to the flag. Prayer by the Rev. John Eaton. Moderator read the warrant. Checklist was read by Winifred Russell, Supervisor of the Checklist, with 632 names.

Article I Election of Officers for the Town of Greenfield, N.H.

SELECTMAN for three years

Sharon A. Gordon - 123 votes

John P. Rzasa - 58 votes

Wayne Gordon 1. Sharon A. Gordon with 123 votes elected for the ensuing three years.

SELECTMAN for two years

Raymond M. Cilley - 150 votes

George Sullivan 9, Sharon Gordon 2, Ben Sanford 1, Don Winslow 1, Sheldon Carbee 1, Frank Shea 1, Cathy Stewart 1, Barbara Metevier 1, Wayne Gordon 2, Marjorie Aiken 2, Jerry Adams 1. Raymond Cilley with 150 votes elected for the ensuing two years.

TOWN TREASURER for one year

Patricia E. Putnam - 142 votes

Debra Cilley 6, Robert Geisel 1, James Coke 1, Diane Naylor 1, Ann Geisel 1, Patricia E. Putnam with 142 votes elected for the ensuing year.

TOWN CLERK for three years

Frances F. Kendall - 175 votes

Robert Geisel 2. Frances F. Kendall with 175 votes elected for the ensuing three years.

TAX COLLECTOR for one year

Robert C. Geisel, Jr. - 172 votes

Diane Naylor 1. Robert C. Geisel, Jr. with 172 votes elected for the ensuing year.

FIRE CHIEF for one year

James Conway - 170 votes

Charles Greene 1, James Coke 6. James Conway with 170 votes elected for the ensuing year.

OVERSEER OF PUBLIC WELFARE for one year

Diane Naylor - 159 votes

Cathy Rich 1, Debbie Cilley 2, Pat Johnson 1, Meta Shea 1. Diane Naylor with 159 votes elected for the ensuing year.

LIBRARY TRUSTEE for three years

James Crabtree - 168 votes

Louise Russell 1. James Crabtree with 168 votes elected for the ensuing year.

TRUSTEE OF TRUST FUNDS for three years

Meta Shea - 164 votes

Meta Shea with 164 votes elected for the ensuing three years.

BUDGET COMMITTEE for three years (Vote for Two)

Geoffrey Aldrich - 152 votes

Wayne Gordon - 15, Winifred Russell 1, Pat Johnson 1, Arthur Varnum 1, Charles Stevenson 3, David Hedstrom 1, Julie Hopkins 1, Frank Shea 1, Frank Dierauf 1, Donna Geer 1, George Sullivan 1, Charles Stevens 2, Paul Sandquist 1, Paul Brooks 2, Marjorie Aiken 1, Jim Grant 1, R. Brooks 1, E. Merzi 1, Winnie Russell 1, Louise Russell 1, Sharon Gordon 1, Thomas Bregani 1. Geoffrey Aldrich with 152 votes and Wayne Gordon with 15 write in votes elected for the ensuing three years.

BUDGET COMMITTEE for two years (Vote for Two) ALL WRITE INS

Raymond Cilley 1, Roscoe Putnam 1, Gary Russell 1, Doug Pierson 1, Richard Buswell 1, Charles Stevenson 2, Wayne Gordon 7, Jim Teates 1, Chet Russell 1, Louise Russell 1, Paul Brooks 1, Arthur Varnum 1, Robert C. Geisel 2, Jerry Adams 5, Velma Stone 3, Larry Winchester 2, Remus MacAllaster 1, Maurice Lagace 1, Christopher Jacobson 1, Debby Cilley 1, Richard Metivier 1, James Coke 1, Steve White 1, Marjorie Aiken 2, Donna Geer 1, Betty Soule 1, Edson Skinner 1, John Vetne 1, Anna Chute 1, Peter Hopkins 1, Geoffrey Aldrich 1, R. Brooks 1, William Bailey 1. No one received enough votes to be elected.

PLANNING BOARD MEMBER for three years (Vote for Two)

David A. Hedstrom - 154 votes

Michael A. Sparling - 117 votes

Jerry Adams 1, George Morrison 1, James P. Sullivan 1. David Hedstrom with 154 votes and Michael A. Sparling with 117 votes elected for the ensuing three years.

SUPERVISOR OF THE CHECKLIST for three years

Winifred Russell - 170 votes

Denise Sullivan 1. Winifred Russell with 170 votes elected for the ensuing three years.

TOWN AUDITOR for one year (Vote for Two)

Dorothy D. Hilton - 143 votes

Laura A. Sparling - 134 votes

Dorothy D. Hilton with 143 votes and Laura A. Sparling with 134 votes elected for the ensuing year.

SCHOOL BOARD MEMBER for three years

Roger Phelps - 162 votes

Patricia McCluskey 2, Maurice Lagace 1, Winnie Russell 1.

SCHOOL MODERATOR for one year

Harvey Chandler - 151 votes

Winifred Russell 1.

Four proposed amendments to the Greenfield Zoning Ordinance voted on.

No. 1. To modify and clarify the definition of frontage.

Yes 148 votes

No 32 votes

No. 2. To establish an area for industry on the Bennington Road in the vicinity of the Dept. of Public Works Garage and Recycling Center.

No. 2 vote

Yes 169 votes

No 14 votes

No. 3. To repeal the outdated restriction to residential construction

Yes 126 votes

No 48 votes

No. 4. To establish a fine of \$10.00 for each day of violation of the zoning ordinance.

Yes 107 votes

No 68 votes

Meeting adjourned at 8 p.m. to reopen Friday night, March 15, 1985 for Town Meeting when Article II and remaining articles of the warrant will be voted on.

Meeting opened at 7:15 p.m. with the salute to the flag led by the Brownie Troop. Moderator, Peter Hopkins, read the State of the Ballot. Before proceeding, Mr. Hopkins instructed the assembly on procedure to be followed during the meeting.

Article 2 - Moved and seconded to raise and appropriate \$101,500 to cover town budget as proposed on page 12 of town report. Mr. Atherton moved, "I would like to amend Article 2 to reduce the amount to be raised by taxation by \$10,000. This would reduce the total to \$91,500." Amendment seconded. He proposed to do this by eliminating the fulltime position of the Administrative Assistant (AA) and using two part time employees as was the situation before the AA was hired. Could also use volunteer workers. Selectman, Mr. Cilley, feels that the position has been capably filled even though the AA has been feeling her way as being new to Greenfield. Several people spoke to the effect that she was doing a good job, and was still needed. Salary was explained that actually she only received \$14,340 and the remainder of the amount of \$16,940 as stated in the budget covers expenses. Question of the \$2,500 for clerical help in the budget, this was explained as possibly hiring some help with the typing but no plans for hiring a secretary or book-keeper. Amendment voted down. Barry O'Dwyer proposed using the \$2,500 on budget for possible clerical help for purchasing a computer. It was felt that at present soft ware available was inadequate for use in town office and would be better to postpone purchase of computer. Proposal voted down. Article approved as printed.

Article 3 - Moved and seconded to authorize the Selectmen to borrow such sums of money as is necessary to defray town expenses in anticipation of taxes. Voted in the affirmative.

Article 4 - Moved and seconded to hear the report of agents, auditors, standing committees, or other officers heretofore chosen and to pass any action relative thereto. Mr. Dierauf moved that the vital statistics as reported by the Town Clerk be amended to add the statistic "Bodies brought to town for Burial, 1984." and that this information be included with the Vital Statistics in the Annual Report, 1985. He feels this important since this report is used as records. Amendment voted in the affirmative. Mr. Dierauf moved that the School Board Member, elected by the people of Greenfield to represent them on the Conval School Board, be listed with the "Town Officers", and that a report from that School Board Member be included each year in the Town's Annual Reports. It was further stated that although Conval publishes a report, all residents do not receive this report and were not aware of what was to be voted on at the School meeting, Sharon Gordon said that the school budget was acted on before the town meeting so would not be possible for this to be a current report. Roger Phelps, our school board member stated that he would be willing to submit a report. Voted in the affirmative. Sharon Gordon submitted following report from the Fire Truck Study Committee: "The Study Committee met several times this past year with Fire Chief Jim Conway to discuss replacement of the 1965 tanker. There is a great deal of rust on the undercarriage and the tank itself. The tank supports are weakened especially on the left hand side by rust and could let go at anytime. We feel that this piece of equipment will have to be replaced within the next couple of years. Financing of this purchase should be planned for now and as always private donations will be greatly appreciated." It was proposed that this committee continue until 1986. Voted in the affirmative.

Article 4 voted in the affirmative.

Article 5 - Moved and seconded to authorize the Selectment to apply for, accept and expend without further action by Town Meeting, money from the state, federal or other governmental unit, or private source which becomes available during the year. Voted in the affirmative.

Article 6 - Moved and seconded to authorize the Selectmen to accept legacies and gifts in trust or otherwise by any individual or group of individuals. Voted in the affirmative.

Article 7 - Moved and seconded to authorize the Selectmen to transfer and convey property acquired by the town by Tax Collector's deed by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require. Voted in the affirmative.

Article 8 - Moved and seconded to authorize the Selectmen to raise and appropriate the sum of \$116,071 for the support of the Public Works Department or take any action relative thereto. Resolution proposed by Malcolm Atherton to continue sidewalk on Forest Road up to Paro driveway, Bruce Gagnon felt he could find the money for this project. Voted in the affirmative. Article voted in the affirmative.

Article 9 - Moved and seconded to raise and appropriate the sum of \$4,300 to the Recreation Committee for the support of recreation programs or take any action relative thereto. Carolyn Woodbury, Recreation Committee Manager, asked that the sum be amended to \$6,300. Same amount being raised from tax revenue (\$1,700), \$4,000 to be raised from fees and charges and \$600 from fees and charges raised during 1984. These recreational programs span all age groups from young through adult groups. Voted in the affirmative. Article voted in the affirmative.

Article 10 - Moved and seconded to raise and appropriate the sum of \$23,200 for the support of the Recycling Center or take any action relative thereto. Some people expressed their concern about the Wilton Recycling Center being closed as being reported in the paper, it was explained that all recyclible materials would be still received at the Wilton site. Beach trash would be taken to the State Park and Wilton will still accept land fill trash. Vote in the affirmative.

Article 11 - Moved and seconded to grant permission to the Union Congregational Church to install a chairlift in the east stairwell of the Meeting House, or take any action relative thereto. Question raised as to how much space this would take from the stairwell, Rev. Eaton said about 8 inches. Vote in the affirmative.

Article 12 - Moved and seconded to raise and appropriate the sum of \$3,500 for the purpose of making the first floor of the Meeting House handicapped accessible, or take any action relative thereto. It was explained that a concrete ramp outside the door leading into the kitchen would be constructed with a metal wrought iron railing and the door from the kitchen into the Meeting Hall would need to be widened but no alteration to the outside of the building. Voted in the affirmative.

Article 13 - Moved and seconded to raise and appropriate the sum of \$14,101 for the support of the Fire Department or take any action relative thereto. The heating bill of \$2,300 was questioned, there was

no answer as to why so high other than that the temperature is kept as low as possible but still have to have heat to keep water from freezing in the tank trucks. Vote in the affirmative.

Article 14 - Moved and seconded to raise and appropriate the sum of \$5,000 for repairs and painting of the 1974 International Fire Truck, or take any action relative thereto. James Conway, Fire Chief, asked that this article be amended instead of for repairs and painting of the 1974 International Fire Truck this sum be put in escrow for another year. In having the truck inspected it was found that the cost would be closer to \$15,000 for repairs to the truck. Amendment to that amendment was that the fire truck study committee get competitive bids on the project. Amendment voted in the affirmative. Article voted in the affirmative.

Article 15 - Moved and seconded to raise and appropriate the sum of \$6,820 for the support of the Stephenson Memorial Library or take any action relative thereto. Voted in the affirmative.

Article 16 - Moved and seconded to raise and appropriate the sum of \$27,570 for the support of the Police Department or take any action relative thereto. Doug Pierson made a motion to amend the Police Chief's salary to reflect the rate of inflation over the past two years, to \$16,373. making the total \$28,298. The Selectmen explained the reason for no increase in salary for the past two years because of continuing problems with Burrage's police certification, the litigation stemming from the case cost the town about \$1,500 in legal fees last year. Vote on the amendment by show of hands (yes 56, no 39) vote in the affirmative. Mr. Burrage, Police Chief, asked that although the \$760 allocated in the budget for Mutual Aid costs have been paid by private donation, this amount be left and be used for emergency work that might be needed on the cruiser. It was recommended that \$60 of this amount be transferred to paying increased retirement benefits, since his salary increased, for the Chief. Vote in the affirmative.

Article 17 - Moved and seconded to raise and appropriate the sum of \$648 for the support of the Probation Officer in the Peterborough District Court, or take any action relative thereto. It was explained that this fee had previously been paid by court costs but is now being allocated to the local towns to pay a portion of the salary. Motion was made to send the bill with Marion Harrington, our representative to the State Legislature back to the State for them to pay the bill. Vote in the affirmative. Article denied.

Article 18 - Moved and seconded to raise and appropriate the sum of \$20,000 to be set aside into a Capital Reserve Fund for the purchase of major equipment such as a police cruiser, fire truck or highway equipment or take any action relative thereto. The police cruiser needs to be replaced probably next year, the fire truck will need replacement within next few years as well as a dump truck for the highway department. It was felt that this would probably increase the individual tax bill by \$1. There was discussion as to the savings this would aid, since the town can borrow money at lower interest rates, but on vehicles this is about 9% or 10% and in all probability will not remain low. Article voted in the affirmative.

Article 19 - Moved and seconded to raise and appropriate \$10,000 to be used solely in sealing approximately three (3) miles of previously tarred roads in the Town, or take any action relative thereto. This has

been an ongoing project, Bruce Gagon, Road Superintendent said this would just about complete the cycle and then would be time to start over. Vote in the affirmative.

Article 20 - Moved and seconded to appropriate and authorize the withdrawal from the Federal Sharing Fund the sum of \$7,809.38 for use as setoff against the debt service of Fairgrounds note and interest, this would be the second payment. Vote in the affirmative.

Article 21 - Moved and seconded to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund of \$600 to be used to purchase a new typewriter for the Selectman's Office, or take any action relative thereto. Vote in the affirmative.

Article 22 - Moved and seconded to appropriate and authorize the withdrawal from Federal Revenue Sharing Funds of \$2,100 to install outside lights at the Meeting House and renovate the meeting rooms on the second floor of the Town Office building, or take any action relative thereto. It was explained that the first priority would be outside lights at the Meeting House and amount left over be used on second floor of the Office Building. Vote in the affirmative.

Article 23 - Moved and seconded to raise and appropriate \$3,900 to be used to purchase one new Swenson Model Hydraulic Spreader with front and rear headboards, or take any action relative thereto. Vote in the affirmative.

Article 24 - Moved and seconded to raise and appropriate the sum of \$1. to be used to purchase Hancock's half of the Cavendar Road Bridge, or take any action relative thereto. Hancock does not propose to fix up the bridge as they have no need for it, they have an article in their town warrant which will be voted on tomorrow to sell Greenfield the bridge for \$1. If the bridge is purchased then the plan would be to study the feasibility of repairing the bridge as stated in next two articles (25 & 26). The Selectmen felt they could lift the bridge off its pilings, sandblast and check condition of parts. It was asked that the three articles be discussed together. Questioned as to amount of traffic, consensus seemed to be about 15 families would be using the bridge currently but potentially future development to more families. Questioned as to whether Hancock would maintain the road to the bridge on their side, Mrs. Harrington stated not in the warrant but would suppose they would. To repair bridge there would be no state funds available, if state were to be involved then the bridge would have to meet state specifications and would cost a great deal more money than is being proposed. Took a look at alternatives: If Greenfield buys the bridge then the town would be solely responsible for it and would have liability. Greenfield could buy the bridge and then sell it to the residents in the vicinity, at which time they would be responsible for the bridge, or Cavendar road is narrow and needs a lot of work if bridge is not repaired to accommodate the amount of traffic that would have to use it. Article 24 was brought up separately for vote, it was moved that this article be tabled until 1986 or by special town meeting. Vote in the affirmative. Article voted to be tabled.

Article 25 - Moved and seconded to raise and appropriate the sum of \$4,000 if Hancock sells the Town their half, to determine the feasibility of repairing the Cavendar Road Bridge and take steps to prepare it for repair, or take any action relative thereto. Amendment proposed to strike from article the phrase, "if Hancock sells the town their half."

We can then study the feasibility of repairing the bridge even though Hancock does not vote to sell us the bridge. Amendment voted in the affirmative. It was felt that it would cost between \$500-\$700 to get an engineer to just come down and give his opinion but would cost much more to have drawings made of repairs needed for bidding purposes. Vote on tabling articles 25 and 26 negative. Article 25 amended voted in the affirmative.

Article 26 - Moved and seconded to authorize the Selectmen to borrow an amount not to exceed \$15,000 for the purpose of restoring the Cavendar Road Bridge or take any action relative thereto. Motion to table the article until 1986 or special town meeting. Amendment voted in the affirmative. Article voted down.

Article 27 - Moved and seconded to discontinue the right of way known as the Bridle Path, connecting Miner Road to the junction of Forest Road and Russell Station Road, or take any action relative thereto. Vote in the affirmative.

Article 28 - Moved and seconded to prohibit the exportation of water derived from ground or surface water from within the Town limits by any means and for any purpose or take any action relative thereto. Bob Smith Conservation Committee Chairman, moved to amend by deleting the words "for any purpose" and adding after "by any means" the following phrase: "where said water is intended for commercial or municipal use, with the Town of Greenfield exempted". Amendment voted in the affirmative.

Article 29 - Moved and seconded to establish the Town owned land known as the Ralph Sayers Property as a Town Forest to be administered by the Greenfield Conservation Commission or take any action relative thereto. Paul Brooks read the agreement conveying the property to the Sportsman's Club in 1965 which says that only if they misused the property should they be denied the use of it. Bob Smith, Conservation Committee Chairman, recinded his motion. Motion was made to not accept the Article 29 as written. Vote in the affirmative.

Article 30 - Moved and seconded to amend Article 13 of the Town Warrant of 1984 changing the purpose of the Capital Reserve Fund known as the Otter Lake Fund to be for the purpose of Parks and Recreation equipment, or take any action relative thereto. Amendment proposed to change 1984 to 1983. Vote in the affirmative.

Article 31 - Moved and seconded to authorize the Planning Board to prepare and amend a recommended program of municipal capital improvement projects projected over a period of at least six years as provided by RSA 674:5 or take any action relative thereto. Vote in the affirmative.

Article 32 - Moved and seconded to transact any other business that may legally come before this meeting, or take any action relative thereto. Jerry Adams read a statement, "During the next year the town of Greenfield will be celebrating the centennial year of the building and opening of the elementary school. Anyone that has any photographs, old stories, or anything that may contribute to a centennial celebration should contact Doug Pierson. The school was built in November of 1885 and opened in February of 1886. The residents of Greenfield have the distinction of having the oldest school building in the district." If someone has some old pictures of the building or anything pertaining to the school they could get in touch with the historical society and they have the equipment to make slides from them and the picture itself would

be returned.

Motion made and seconded to have the Selectmen appoint a committee to determine if the expense of educating the town's children might be reduced. Vote in the affirmative.

Geoffrey Aldrich read an added warrant article petition requested and signed by eleven townspeople, as follows, "No elected or appointed officer, official or employee of the Town of Greenfield shall take part in a decision concerning the business of the town in which he has a financial interest. Nor shall said elected or appointed officer, official or employee receive any compensation for work rendered to the town aside from his or her salary as such officer, official of employee, unless awarded through an open competitive bidding process." Vote in the affirmative. No further business to come before the meeting. Motion made to adjourn at 11:05 p.m.

A True Copy Attest: Frances F. Kendall
Town Clerk

Town Clerk swore in newly elected officials.

TOWN CLERK'S REPORT

Ending 12-31-85

RECEIPTS:

DEPARTMENT OF PUBLIC WORKS

This year's major project was the replacement of wooden bridge on Dodge Road. A large metal arch pipe was installed. This new pipe enables the Highway and Fire Department equipment to cross the Rand Brook which was previously not possible.

Several sections of our tarred roadways were shimmed and sealed this year. These include Zephyr Lake Road, East Road, Old Mountain Road and Longwood Drive.

The following other road improvements were made this year:

Russell Station Road - trees and brush cut,
roadway widened and ditched.
Old Mountain Road - trees and brush cut, roadway
widened and ditched, new culvert
installed.
Slip Road - trees and brush cut, roadway re-
shouldered.
Cornwell Road - section ditched and widened.
East Road - roadway widened and section hot-topped.
Zephyr Lake Road - roadway widened and ditched.

I would like to thank everyone that assisted me in 1985 in the performance of my duties.

Respectfully submitted,
Bruce Gagnon
Superintendent of Public Works

WILTON RECYCLING CENTER

1985 was the best year ever for the Wilton Recycling Center with a total income of \$ 24,690.

One of our projects this year was to upgrade and repair the incinerator. Our time and efforts were rewarded with verbal approval from the State Air Resources Commission of a three year extension for our incinerator permit.

In the spring of 1985 a clean-up program was launched that has received much praise. We hope to continue this program in 1986 and make the center an even cleaner and more pleasant place.

This year also saw the discontinued use of the landfill. In June a smooth transition was made to the use of a 30 yard container for landfill materials. It cost us \$7,420 to have the container hauled out in 1985, to help defray this cost we collected \$2,282 from residents, businesses and contractors for the disposal of demolition waste and non-residential landfill materials.

As the new manager on the Recycling Center I would like to acknowledge everyone who takes the time and makes the effort to use the Recycling Center. Thank you for your continued cooperation. I would also like to thank all of those who worked at the center this year for their hard work and dedication to their jobs.

Respectfully submitted,

Patricia H. Moore

GREENFIELD POLICE DEPARTMENT

One of the most serious crimes ever experienced in Greenfield occurred on November 14, when a house on Holden Road was entered into and burned to the ground in order to destroy evidence from an undiscovered burglary that had occurred in the preceeding days. Through a co-operative investigation done by the Police Departments of Greenfield, Peterborough, Hancock and the Detective Division of the State Police, with assistance from the Greenfield Fire Department and the State Fire Marshal's Office, an offender was arrested for the burglary/arson within four days of the fire.

Other major arrests were made for a felony assault (beating a person with a pool stick), sexual assault (attacking an adult female in the hallway of a dormitory) and for a house burglary that occurred on the Old Bennington Road.

Two major criminal mischief cases that involved spray paint were solved. The first in August, when street signs in the village were painted with Nazi symbols. The second on Halloween, when the lights on the Town Common were painted as well as obscenities on the side of the grade school.

329 court cases were completed with 327 guilty findings. 235 were speeding tickets. Even with that number of tickets issued, we still hear concerns of excessive speed in the residential areas. The projected patrol schedule for 1986 will be addressing that problem.

Congestion from street side parking has been a great concern to many residents as they travel in the village. In working with the Selectmen's Office, a proposed parking ordinance appears on this year's warrant. If so adopted it will end the problem and insure everyone's safety.

1985 was a year of growth in the community. Of particular interest were the changes and revitalization of the retail businesses which will result in a more active and lively village in 1986. As the community grows we in the Police Department must adapt and grow with it, and we are, looking very forward to participating in and being of service to the community in 1986.

Chief Charles Burrage
Greenfield Police Department

GREENFIELD FIRE DEPARTMENT

The Fire Department answered 94 alarms in 1985.

Medical	35	Brush Fire	4
Auto Accident	13	Partition Fire	1
Mutual Aid	19	Structure Fire	1
Chimney Fire	7	Cover Truck	2
False Alarm	7	Misc.	5

Total G.F.D. Units responded	130
Mutual Aid Units to Greenfield	12
Mutual Aid Units from G.F.D.	25
Ambulance to Greenfield	48
Approximate Manhours	2650

The loss of one home on Stage Coach Road proved to be arson. Through the combined efforts of Greenfield and Peterborough Police Departments a suspect has been arrested in connection with this case.

Many generous donations have enabled us to add several new pieces of equipment to the Department.

However neither donations or equipment can solve our present dilemma. We need HELP! Our membership has dropped to less than 15 people.

I'm making a desperate plea for any citizen willing to donate a few evenings a month and be on call 24 hours a day to please make application to the Fire Department.

I would like to take this time to thank the citizens of Greenfield for their support of the Department.

Respectfully submitted,

James Conway
Chief, Greenfield Fire Dept.

SCHOOL STUDY COMMITTEE

The School Study Committee met monthly to examine ways of reducing the cost of educating the town's children. Efforts were centered on two general areas: 1) changing the formula used to proportion the costs of operating the Conval School District among the nine member towns and 2) lowering the Conval School District budget.

Greenfield, acting by itself, would have minumum impact in either area. Consequently, the Committee concentrated on soliciting support from other Conval towns. Antrim and Bennington were contacted concerning the formula and it was decided any action in this area should be deferred until the Blue Ribbon Committee makes their report. As for the school budget, the Committee compared Conval's expenditures with those of nine other comparable school districts. Conval was, by far, the most expensive district, a fact the Committee reported on at the Conval budget hearing on January 28th. Any additional Committee efforts in this area will be directed at the Conval Blue Ribbon Committee.

REPORT FROM GREENFIELD RESCUE SQUAD

Greenfield Rescue Squad responded to 57 calls during 1985 including:

35 For Medical Assistance
13 Auto Accidents
9 Fires

Again this year, generous donations enabled us to purchase equipment which will increase our efficiency. Included in the items purchased are a chainsaw and a honda generator, which will provide power for lights and tools at fire and rescue scenes.

We continue to experience a critical shortage of help, especially during the day, when we rely primarily on Peterborough for Mutual Aid Assistance. Currently, our squad has only six licensed members.

Respectfully submitted,

Charles D. Stevenson
Lieutenant, G.F.D.

CONVAL SCHOOL BOARD REPRESENTATIVE'S REPORT

It is difficult to write a School Report of the Town Report as mandated by the 1985 Town Meeting, as school issues are still pending.

The major event that should be noted is the One Hundre Birthday of the Greenfield Elementary School.

This past year, I have served on the Budget Committee as well as the Teacher Negotiations Committee. At this writing, Teacher negotiations are stalled and we will have a Federal Negotiator to help compromise 68% of the school budget.

The other 32% of the budget shows only a 1.6% increase ov the 1985-86 budget, despite and increase in insurance costs of 162.7% and an anticipated 14.18% increase in electrical costs. We will also have a decrease in revenue of 26.04% in the State's funding formula.

Respectfully submitted,

Roger W. Phelps
Greenfield School Board Rep.

CAVENDER ROAD BRIDGE STUDY COMMITTEE

As a result of a very lengthy discussion at Town Meeting last year as to the fate of the Cavender Road bridge, it was resolved to appropriate \$4,000 and appoint a committee to study the condition and feasibility of having the bridge repaired. A group of five were appointed and started by sending out letters to three structural engineering firms requesting interest in providing the town with an in-depth inspection and evaluation of the bridge structure.

Structural Design Services from Manchester, NH was chosen to make the inspection and evaluation of the bridge. A complete copy of this report can be seen at the Selectmen's office; but in summary, the report says, "by virtue of the structure being a classic true pinned truss a large number of the main load carrying components are to be considered non redundant and therefore fracture critical. That means failure of a single such element could cause collapse. All of the eyebars, pins, diagonal rods and floor beam hangers fall into this category. Furthermore the lack of provision for top chord lateral bracing considerably reduces the truss in-service stability. Due to deterioration of certain key elements within the structure, the bridge in its present condition has no rateable safe load capacity. The main conclusion of our comprehensive study of this structure deems it both functionally and structurally obsolete. An attempt to retrofit this bridge for up-to-date highway traffic would be economically completely unfeasible."

OVERSEER OF PUBLIC WELFARE

This was a relatively quiet year for the welfare department. Some food vouchers were issued, but the bulk of the activity was in the category of Old Age Assistance.

At Thanksgiving and Christmas food baskets were given to some Greenfield residents from St. Patrick's Womens Guild in Bennington. They were greatly appreciated by all.

Due to the passage of SB 1, effective January 1, 1986 the town is no longer liable for juvenile placement costs and old age assistance. These are now county and state responsibilities. Money for old age assistance is still being requested in the 1986 budget in order to cover the expenses incurred in 1985, but not billed at the close of that fiscal year. Part two of SB 1 makes towns totally liable for general assistance.

Diane Naylor
Overseer of Public Welfare

BUILDING INSPECTOR

Greenfield experienced a building boom in 1985. The number of new homes doubled from 1984. A total of fifty building permits were issued in 1985. The following is a breakdown of those permits:

- 21 - New Homes (1 did not build)
- 16 - Additions
- 6 - Outbuildings
- 5 - Commercial
- 1 - Institutional Expansion (9 group homes,
- 1 - Barn CMRC)
- 1 - Greenhouse
- 1 - Chimney
- 1 - Underground fuel tank replacement
- 1 - swimming pool

I would like to take this opportunity to thank those individuals that have assisted me as a new building inspector and a new member of the community.

Victor H. King
Building Inspector

ANIMAL CONTROL OFFICER

This year was quite busy. The number of stray dogs was down from last year, but more animals were not tagged. One of this officer's biggest problems is identifying animals which are not tagged. Owners should make sure that their animals are tagged and those tags are properly attached.

People seem to put their dogs out in the morning and the dog is gone all day. If the animal does not return that night, they do not get concerned. We pick up animals and hold them for 7 days. Most people that call looking for their animal say it has been gone several days. If they would call the next day, we could quite often reunite them with their animal sooner and at less cost.

Several restraining orders have been issued this year. Animals have been running loose and in packs. These animals cause many problems. Together they often chase other domestic animals, sometimes killing cats, chickens or even sheep.

In the hopes of better controlling the animal population and preventing packs from running together, we are proposing that the town adopt the state leash law. This proposal will appear on this year's ballot.

Philip Woodbury III
Animal Control Officer

CONSERVATION COMMISSION

The lake water testing program was resumed during the 1985 growing season with the following results. There were no detectable pollutants found in Sunset Lake. Zephyr Lake has an elevated nitrate level near the exiting waters, but we have been unable to pinpoint the source. Tests conducted by the State verified this condition, but they felt that the elevated nitrate was a result of rotting vegetation. We will be conducting further testing in the spring run-off because the water will be cold and rotting at a minimum. It will also be a time of maximum ground water flow. We have acquired, as a gift, colorimetric acid measuring equipment and can now run more precise measurements of the acid level in our lakes.

In September, we dedicated the Fleck Conservation Area, officially making it a town recreation area. Maps of the area have been drawn to plan the location of trails through the area. As presently planned, two foot bridges will be required to cross the stream. Pending Town approval of the necessary funds, we will be contacting abutting property owners to obtain easements so that the trail can go completely around the beaver pond. The trail system is also being planned for a link-up of the Savage Road town property to incorporate a developable parking area plus a scenic trail along the stream.

We sent a representative of the town to the informational meeting concerning an association for the protection of the Souhegan River watershed. This meeting was sponsored by the Hillsborough County conservation District. The Town was also represented at a workshop at the Harris Conservation Center to inform town officials of the options available for the protection of ground water and aquifers as well as technics used to locate and map aquifers.

Recognizing that on-site waste water disposal is a potential threat to the purity of ground water throughout the Town, we have drafted and submitted for adoption a set of regulations for the installation of septic systems within the town. These became necessary when it was learned that the State was not monitoring the soil testing and installation of septic systems. This is brought about by the lack of funds and personnel at NHWSPCC. The State is encouraging the filling of this function by locally drafted and enforced regulations. In 1985, the State Legislature enacted HB 229 which enables the towns to adopt and enforce their own regulations with WS 1000 as a minimum standard.

Pat Shea
Robert Smith, Chairman

GREENFIELD PLANNING BOARD

Nineteen eighty five was a busy year for the Planning Board. Greenfield was feeling the growth pressures affecting Peterborough and environs - evidenced by an unprecedented rush of land transfer and non-residential site plan review proposals brought before the Board. Review and public hearings for these, plus measures to implement our Master Plan, necessitated a number of extra meetings and many hours of deliberations.

The year opened with formal introduction of the Master Plan to the people of Greenfield. A digest of the Plan, mailed in advance to all residents, brought good attendance and lively discussion at the introductory hearing, and the Plan was well received. With the Plan now in effect, the Board feels confident of its ability to keep growth under control and the town's rural quality intact.

The March Town Meeting brought approval by voters to three zoning amendments proposed by the Board. Of these, the most significant was the establishment of an additional industrial area on Bennington Road, an area lightly populated and removed from the town's center. By year's end, ground was prepared at the site for an expansion by East Coast Steel Erectors, with a new plant, the prospect for up to 30 new jobs, and a needed reinforcement for the town's tax base.

Meanwhile, other steps toward economic benefit appeared with a new warehouse operation in the previously established industrial area south of town, coupled with a major construction project at the Rehabilitation Center. With new employment opportunities and a further boost to the tax base expected.

These projects, as with all land use proposals, underwent careful Planning Board review, with special attention to environmental and groundwater concerns. Altogether the Board dealt with twelve applications to subdivide and five non-residential site plans - far more than in previous years. One major subdivision and one site plan still were under consideration as the year ended.

It is apparent that these pressures will continue, and that the Planning Board faces a new level of responsibility. Nevertheless, with the Master Plan as a guide and with help from all concerned, the Board will persist in its efforts to "keep Greenfield green".

STEPHENSON MEMORIAL LIBRARY

The Stephenson Memorial Library shines and gleams in the center of town. Bob Geisel painted the library's exterior trim in the summer. This completed the redecorating project started in 1982: insulation, storm windows, interior painting, new curtains and miscellaneous improvements within and without. Funds for all these projects were supplied by the ever-generous Greenfield Woman's Club.

During 1986 the Greenfield Historical Society will remodel part of the library basement to store and preserve memorabilia. Using their own funds, the Historical Society not only will preserve Greenfield's past, but improve the library's interior and increase its usefulness to all the townspeople.

Other 1986 building plans: new shelves and modest remodeling for the remainder of the library's basement for the use of the Greenfield Woman's Club as well as book and periodical storage.

Each year the library is increasingly important in the lives of the children. Librarian Velma Stone tells stories in her special, expressive way; the children choose from hundreds of new and old books; watch weekly movies; and enjoy holiday parties. Toddlers hear stories, too, each week, while Moms chat in the adult room.

The elementary school children launched balloons again this year from the library lawn during Library Week, and exhibited drawings hung from clotheslines inside the building. Concluding the popular children's summer reading program was the annual UNH Red Wagon Traveling Theatre program on the library lawn. The library also participated in the Oak Park Festival at the fairgrounds on July 13th.

On a cold day, a hot day - just any day - come to the library to meet new friends and old friends. Find nearly all the current "best sellers", rediscover the classics. Find food for thought and talk in a variety of current magazines, and always a smiling welcome from Librarian Velma Stone.

Respectfully submitted,

Dorothy Howard, Chairman
Margery Buswell, Secretary
James Crabtree, Treasurer

GREENFIELD RECREATION DEPARTMENT

The Recreation Department has increased programs and activities for all ages.

We now sponsor a year round aerobics program which continues to grow stronger.

We started special chartered bus trips his year. Some of this years trips were to the Boston Flower Show, Aquarium, Quincy Market, Gloucester and Rockport, and the Ice Capades. We will continue this program in 1986 and anyone with suggestions of additional trips should contact the Recreation Department.

We continue to support Little League, Red Cross Swimming, arts & crafts, 5th -8th grade parties, movies, Christmas and Halloween parties, and the Easter Egg Hunt.

In 1985, the Recreation Department got involved with the Oak Park Fairgrounds Festival. The committee helped plan the day's activities and took full responsibility for the planning and organizing of the parade. Parade activities included a bicycle and doll carriage decorating contest, where participants were judged and awarded prizes by the Recreation Department.

Over the past two years, the department has experienced much new growth and sponsored many new activities. The department would like to continue to grow sponsoring more activities and would welcome support and involvement from the citizens of Greenfield.

If you have any ideas or suggestions, please contact a Recreation Department member or leave a message at the Town Office.

OAK PARK FAIRGROUNDS ASSOCIATION

1985 was a busy year for the Association. With the help of many volunteers and generous contributions from private citizens and local businesses, some major improvements were accomplished.

Donations of playground equipment by East Coast Steel Erectors and fencing by American Steel Erectors have set the pace for the development of a quality recreational facility for the Town. Picnic tables donated by Sullivan Bros. Paving and M.E. Smith Lumber have begun the development of the picnic area.

July 1985 saw the rebirth of a summer activity reminiscent of the old Oak Park Fair. The First Annual Oak Park Festival, complete with road race, parade, band concert, chicken barbeque, flea market and numerous other activities was a grand success. The Association wishes to express our thanks to all those who contributed to the festivities.

1986 promises to be another busy year. Current plans include seeding of the large area west of the ballfield, the Second Annual Oak Park Festival and other improvements. The Association would like to express its gratitude for the many hours of volunteer work donated to the development of the park, making it truly a community project.

Respectfully submitted,

Oak Park Fairgrounds Association

Balance December 31, 1985		\$ 3,027.18

TOWN JOURNAL

1985 - a year of change and growth started with the unveiling of the Master Plan by the Planning Board at a public hearing. The plan was finally completed after many, many volunteer hours of discussion and research, stressing groundwater protection and suggesting another industrial area to broaden the tax base.

It was in January that the Hillsborough County Superior Court ruled that Police Chief Burrage's case should go to the State Supreme Court because of Constitutional questions. As of the end of the year, no decision had been rendered.

Since the town directed the Selectmen to now appoint the D.P.W. Superintendent, they interviewed applicants prior to their appointment of Bruce Gagnon, who had been elected to the position for the past eight years.

Two well known senior citizens died. Ruth Gordon, the oldest resident, who possessed the Boston Post Cane and Henrietta Hopkins, town historian "par excellence". Her contributions are recorded for posterity.

In June, with funds from the Church Book of Remembrance Fund, a chair lift was installed at the Meeting House from the first floor to the second so the church is now available to all.

The First Annual Oak Park Festival in July was a successful fun time for all complete with Road Race, Parade, Games, Contests, Hay Rides and Flea Market.

The Little Red Wagon of the Theatre Department of the University of New Hampshire made its annual visit at the Library to the delight of 75 children and parents following the completion of the summer reading program - "Read Up a Bookstalk".

Special visitors to town have been the famous professional artisans from China who have shared their art with us at the fabulous Exhibit of China at the Boston Museum of Science. They were the guests of the Kerry Smiths for traditional Bar-B-Qs and Hay rides. Greenfield has also had the opportunity to learn of other lands from the trips of Greenfield residents. The Reverend John W. Eaton shared his trip to the Holy Land; Mary & James Crabtree, their trip to England; and Julie Hopkins her educational trip to Russia - all with excellent slide presentations at open meetings.

Another highlight of 1985 was the acceptance and dedication by the Conservation Commission and the Selectmen of the Richard C. Fleck Conservation area (8.4 acres on S. Francetown Road). We thank you Frances "Spud" Fleck (who hopes this will be the beginning of the Greenfield Green Belt) for

your generosity and for your concern. We accept your trust in us and hereby dedicate the Richard Carl Fleck Conservation Area as a legacy for time everlasting.

With the resignation of Ray Cilley as Selectman in August because of the pressures of work, Selectwoman Sharon Gordon and Selectman Roscoe Putnam appointed Richard Buswell to complete this year of Cilley's term.

Fall Fling - an opportunity for community picnic at the Oak Park Fairgrounds sponsored by the Recreation Committee and the church proved a time of good fellowship for adults and fun for the young people. This was just one of the many projects of the Recreation Committee directed by Carolyn Woodbury who throughout the year has offered trips and classes for adults and parties and movies for the young people. Terrific service, Carolyn, commendation and gratitude!

The 20th Harvest Fair of the Women's Club was successful - the proceeds which make it possible for their many gifts to the town.

Changes in the center of the town suprised everyone. Bill & Bonnie Bailey renovated and took over the Coffee Shop; then Roscoe Putnam rejuvenated the General Store; and Cheri McDaniel is the new owner of the Welcome Shop.

Down Route 31 toward Wilton two warehouses built by Gene Mitchell house Brookstone and his own business, T.C. Bolt. Up Route 31, toward Bennington, clearing was started for East Coast Steel Erector's new beam line.

What a Christmas present! The tax rate went down.

December was a special month with various parties and the center with the Meeting House finally spotlighted with its decorated Christmas tree and the Gilbert tree on the Library lawn beautifully lighted. The Christmas party of the Historical Society was held in the home of Kristen and Thomas Bregani and the history of the house was printed. It housed the first ice cream parlor in Greenfield when Ed French owned it. Throughout the year, the Historical Society programs have proved invaluable to the town's history.

The Christmas eve candelight service gave that opportunity to reflect and to gather hope for the future for our town population of 1,166.

Births Recorded in the Town of Greenfield, N.H. Ending 12-31-85

Date	Name of Child	Place of Birth	Mother and Father's Name
